INFORMATION DISCLOSURE STATEMENT

Mail Stop DD  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 C.F.R. § 1.56, submitted herewith are copies of one (1) reference cited in the enclosed Office Action issued in a corresponding European Patent Application. For the Examiner's convenience, we have enclosed the completed Form PTO-1449.

Although the European Search Report cites JP 2002-325002 and JP2002-368502, applicants did not include a copy of these references herewith as the references have been previously cited in an Information Disclosure Statement filed on February 17, 2004.

The statement is not a representation that all of the information cited is necessarily effective as prior art against the application.

I hereby state that each item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than 3 months prior to the filing of this statement, and that this is the first citation of these prior art references by a foreign patent office in a counterpart foreign patent application. Accordingly, no fee is necessary for the filing of this statement. Should the Commissioner determine otherwise, the Commissioner is authorized to charge Deposit Account No. 50-1353 for any fee shortages, including the petition fee under 37 C.F.R. § 1.17(p).

Applicants respectfully request that the disclosed reference be made of record in the subject application.

Respectfully submitted,

Date: June 23, 2004
